DayTripper[®]

DayTripper from Tokio Marine HCC – MIS Group, a member of Tokio Marine HCC, is with you and your group almost anywhere you may travel in the world. DayTripper coverage is designed for mission trips, and other overseas excursions for large organizations.

Why Choose DayTripper®?

Whatever the reason, traveling internationally with a large group should be a pleasant experience. Emergencies and complications such as natural disasters, injury, or illness are a fact of life, and can be even tougher to manage for a large group of people. While we hope none of these incidents happen... we're here to help if they do. Coverage for eligible medical expenses in case of hospitalization – including a stay in an intensive care unit or outpatient treatment– emergency medical evacuation, and loss of checked baggage are just some of the benefits provided by DayTripper.

My family has medical insurance in our home country; do we need group travel medical insurance?

Often, the primary medical insurance in your home country will not cover you and your family while traveling abroad. Medical expenses can be very costly while abroad. DayTripper plans start at less than \$1 a day (per person) and include essentials such as medical translation assistance while being treated, doctor and hospital referrals, and assistance replacing lost prescriptions.

What's Covered by DayTripper®?

International Coverage

Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? Tokio Marine HCC- MIS Group is experienced in arranging emergency medical evacuations. DayTripper will cover the eligible expenses necessary to transport you from an initial treating facility to the nearest medical facility qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. DayTripper will also cover the transportation, lodging, and meal costs for a relative to join you after a covered emergency medical evacuation, up to the lifetime limit.

Repatriation of Remains

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, DayTripper will arrange for and cover the eligible costs associated with the repatriation of your remains.

Return of Minor Children

If you are expected to be hospitalized for more than 36 hours due to a covered injury or illness, and covered children under 18 years of age will be left

unattended as a result, DayTripper will cover the eligible transportation cost for the children to return home.

Terrorism

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, and the country or region you're visiting is NOT under a level 3 or level 4 travel advisory, DayTripper offers coverage for eligible medical expenses resulting from those acts. Coverage excludes countries or regions for which the U.S. Department of State has issued a level 3 ("reconsider travel") or level 4 ("do not travel") advisory in the 6 months prior to your arrival date.

Political Evacuation

If, during the coverage period and after your arrival, the U.S. Department of State issues a level 3 or level 4 travel advisory for your destination country, DayTripper will coordinate your alternate departure arrangements from that country and cover eligible associated costs.

Natural Disaster – Replacement Accommodations

Natural disasters can happen anywhere and at any time. If a natural disaster occurs while on your trip, causing you to become displaced from your planned and paid accommodations, DayTripper will provide relief of a maximum of \$250 a day for 5 days to help cover the costs of

alternative accommodations.

Hospital Indemnity

If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If you are hospitalized as an inpatient for treatment of a covered illness or injury, DayTripper will provide \$100 for each night you spend in the hospital.
